Glastonbury, CT 06033

Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. **Magnet School Project Sign:**

At the November 23rd meeting, a question was asked concerning a project sign for the new magnet school building under construction at 95 Oak Street. The attached shows the project sign to be located at construction site.

2. **Western Boulevard:**

The Western Boulevard connection project is substantially complete. The road opened to the public on Friday, December 10th. A binder course pavement is in place. As properties develop along the new road, cuts will be required for utility services to buildings. A top course pavement will be placed once future construction is generally complete. This is a typical practice.

3. **Population Estimates:**

The State Department of Public Health has released population estimates for cities and towns throughout Connecticut as of July 1, 2009. For Glastonbury, the estimated population totals 33,353.

4. **Budget Schedule:**

A brief reminder that the annual Capital Improvement Workshop is scheduled for 6:00 p.m. on Wednesday, January 19, 2011 at the Riverfront Community Center. The Annual Town Meeting is scheduled for 7:00 p.m. on Thursday, January 27, 2011. Unless advised otherwise, the Town Meeting will be held at the Glastonbury High School auditorium.

I will be happy to review the preceding and any other items Tuesday evening.

Sincerely,

Richard J. Johnson
Town Manager
